A Full and Thankful Heart

One exercise that I practice is to try for a full inventory of my blessings and then for a right acceptance of the many gifts that are mine - both temporal and spiritual. Here I try to achieve a state of joyful gratitude. When such a brand of gratitude is repeatedly affirmed and pondered, it can finally displace the natural tendency to congratulate myself on whatever progress I may have been enabled to make in some areas of living.

I try to hold fast to the truth that a full and thankful heart cannot entertain great conceits. When brimming with gratitude, one's heartbeat must surely result in outgoing love, the finest emotion we can ever know.

"Our relations with the general public should be characterized by personal anonymity. We think A.A. ought to avoid sensational advertising. Our names and pictures as A.A. members ought not be broadcast, filmed, or publicly printed. Our public relations should be guided by the principle of attraction rather than promotion. There is never need to praise ourselves. We feel it better to let our friends recommend us."

"THY WILL, NOT MINE"

. . . when making specific requests, it will be well to add to each one of them this qualification. ". . . if it be Thy will."

TWELVE STEPS AND TWELVE TRADITIONS, p. 102

I ask simply that throughout the day God place in me the best understanding of His will that I can have for that day, and that I be given the grace by which I may carry it out. As the day goes on, I can pause when facing situations that must be met and decisions that must be made, and renew the simple request: "Thy will, not mine, be done."

I must always keep in mind that in every situation I am responsible for the effort and God is responsible for the outcome. I can "Let Go and Let God" by humbly repeating: "Thy will, not mine, be done." Patience and persistence in seeking His will for me will free me from the pain of selfish expectations.

Local AA Reflects on "Surrender"

I went to a speaker meeting at Old Area Hall on L.W.W., and the speaker that night talked about surrender. As I listened he explained further.

Surrender - cease to fight alcoholism One Day At a Time.

Surrender To Win - I would never win if I had any reservations.

What did I give up? Hangovers -Drunk everyday - Anger - Resentment and the list goes on. Our children were young when I joined AA, without surrender I would never have had their love. We were there when each of our grandchildren were born. The last two are in college now. Thanks to all AA's who have surrendered One Day At a Time.
