Step 10 ...
"We continued
to take personal
inventory and
when we were
wrong promptly
admitted it."

Step Ten of Alcoholics Anonymous (AA) involves taking a daily inventory of your actions and promptly admitting when you are wrong.

This step encourages individuals to:

Continue self-reflection: Regularly assess your behavior and actions.

Admit wrongs: Acknowledge mistakes as they occur to maintain personal integrity.

Release negative emotions: Let go of selfishness, dishonesty, resentment, or fear immediately.

Commit to personal growth: Focus on ongoing spiritual and personal development.

This step is essential for maintaining progress in recovery and fostering a healthier way of living.

"Holding Hands"?

Have you noticed how at some meeting we are no longer holding hands while saying the Lord's Prayer? I know we stopped holding hands during the Covid scare for fear of spreading the disease. That was well and good! But why now are we still not holding hands?

Over the past many years, diseases were spread by our hands, but AA's still held hands. It is a bonding of our togetherness. If any of you have ever attended an AA International Conference where 60,000 people, or however many thousand, all recite the Lord's Prayer while holding hands - it is truly a spiritual experience!!!

In Memory Danny F.

The family of Danny F.

Wishes to extend its warmest and most sincere gratitude and thanks to the AA Community of Michiana for the out pouring of love and support that was poured out for our family at the Celebration of Danny's life. It was comforting and consoling to learn how many lives he has affected in his time here with us. Your selflessness in sharing is a credit to our community. We love you all.
